**Intended college/university/trade school (include city/town)**  
\_\_\_\_\_

**Intended major and degree** \_\_\_\_\_

**Name, address and phone of person writing letter of recommendation**  
\_\_\_\_\_

### **Essay Tips**

Essays should include a discussion of your environmental interests, efforts, and activities in your school and community. Use facts to describe your efforts and interests. Discuss how you decided on a college major and degree. Illustrate how you have made an environmental difference. Examples of activities include volunteer, work, school and neighborhood activism.
